

**БОРИС МЛАДЕНОВ-YOUNG  
AT SEVENTY THREE I CAN  
UNDERSTAND...**

[chitanka.info](http://chitanka.info)

*At seventy three I can understand:  
every beginning has also an end  
and everything has to finish in time,  
but like my verse, with a beautiful rhyme.*

*At seventy three I know well,  
it's time for a dignified farewell;  
The naked truth I can boldly face:  
I'll be remembered no more than three days.*

*At seventy three I don't have wealth,  
but I am still fit, in good mental health;  
I'd like to be free and to enjoy life,  
before start wetting and lose sex drive.*

*At seventy three, My Lord, it's high time  
to leave, before I'm kicked out in the grime!*
