

**БОРИС МЛАДЕНОВ-YOUNG
LAST NIGHT A LITTLE BIRD
CAME TO MY PLACE...**

chitanka.info

*Last night a little bird came to my place
and said: „Dear friend, bear in mind,
something behind you is gathering pace...
Be more alert and stop being blind!*

*Just look around and guess: somebody nice,
(young doctor) that you know well,
is trying F-party to organize —
you know... I mean... A Farewell!*

*You stated unwisely, my dear friend,
that in six months your employment will end.
Who is revealing things of that kind!*

*Anyway! Don't even think!... It's not true,
that they are rushing to get rid of you,
before, by chance, you change your mind“.*
